

JOSEPH W. WATKINS, P.C.

Attorney for the People

CALL TODAY 520.882.9115

As an Arizona personal injury and insurance bad faith lawyer, I represent injured clients and the families of those who have been killed in car, truck, pedestrian, and other accidents. I also represent those who have been denied legitimate payment by their insurance companies.

I seek accountability from those who injure or damage my clients.

Joseph W. Watkins

I work for you.

As a plaintiff's lawyer, I seek to establish a strong case for clients as early as possible with the goal of seeking a fair settlement early in the case. If a fair settlement is not offered, we will take your case to trial and let a jury decide.
